Birthdate: ___________________________________________________

Enrollment:

The undersigned understands that s/he has enrolled in a one credit-hour excursion course, IB201: Business in the European Union Excursion, arranged and sponsored by Butler University which will provide one academic credit hour upon completion of the excursion and course requirements. Students will be responsible for booking a flight to and from Frankfurt, Germany, on a flight selected or at times/dates approved by the program faculty. Students should not make plane reservations until notified by the faculty that the course has a minimum of 8 participants enrolled in the program. Otherwise, the course may have to be cancelled pursuant to university
policy. Students will be notified on or before November 15, 2012 if the requisite enrollment is not reached and, in that event, all deposits will be refunded.

Ground transportation, room, local excursions, travel medical insurance, honoraria for local speakers, and most meals, etc. will be included in a program fee of $995, of which a $200 deposit is due with this enrollment and the remainder will be charged to your student account. Because Butler University will be making nonrefundable commitments to local service providers, the program fee will be nonrefundable, even if the student withdraws from the course or does not attend.

Students will be required to obtain a passport and will be subject to a Butler University Code of Conduct and will be expected to provide a waiver of liability.

Note that this course is offered concurrently with IB210: Business in the European Union. Each course is intended to stand alone, but be mutually enriching. For those who can, I encourage you to enroll in both.
